The NOFO and guidance referenced are free and publically available. Records of input from persons with lived experience are documented in HOME Coalition membership or Board of Directors minutes.

BONUS POINTS CHECKLIST

AVAILABLE FOR **NEW** PSH or RRH HOUSING PROJECTS ONLY:

Leveraging Healthcare Resources.

Five bonus points are available with required supporting documentation, as follows:

The proposed project utilizes healthcare resources to help individuals and families experiencing homelessness. Sources of health care resources include:

- Direct contributions from a public or private health insurance provider to the project, and
- Provision of health care services by a private or public organization tailored to the program participants of the project.
- Eligibility for the project must comply with HUD program and fair housing requirements. Eligibility criteria cannot be restricted by the eligibility requirements of the health care service provider.

TO QUALIFY FOR THESE BONUS POINTS:

The project must provide a written commitment from a health care organization that the value of assistance being provided is at least:

(i) in the case of a substance abuse treatment or recovery provider, it will provide access to treatment or recovery services for all program participants who qualify and choose those services;

or

(ii) an amount that is equivalent to 25 percent of the funding being requested for the project will be covered by the healthcare organization. Acceptable forms of commitment are formal written agreements and must include:

- value of the commitment, and
- dates the healthcare resources will be provided.

In-kind resources must be valued at the local rates consistent with the amount paid for services not supported by grant funds. CoCs can receive less than full points for demonstrating commitments less than the threshold described above.
